CAN'T LOSE HAIR

Twenty Years from Today a Baldheaded Man Will Be an Unusual Sight

One of the most prominent druggists of America, made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales as it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredina Hair Remedy is used almost universally, dandruff will disappear, and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow, and twenty years from now a bald head will be a rarity."

There is only one way to cure dandruff, and that is to kill the germ. There is only one hair preparation that will kill the germ, and that is Mildredina Hair Remedy. This unusual hair restorer, with its record of thousands of cures, will grow hair on any head where there is any life left; it will cure dandruff, stop falling hair and itching of the scalp in three weeks or money back.

It is the most pleasant and invigorating tonic, is not sticky or greasy, and is used extensively by ladies of refinement who desire to have and to keep their hair soft, lustrous and luxuriant. Fifty cents for a large bottle, druggists everywhere. Mail orders filled by American Proprietary Co., Boston, Mass.

An Easy Way To Reduce Flesh

Drink Hot Water and Take Tassco

Have you often wished for a medicine to reduce your flesh? Something that does not require dieting or calisthenics? Well, right here you have it in 5-grain Tassco tablets, which you may secure at your druggist. They are pleasant to take, perfectly harmless and cause no restrictions of habit or eating, and reduce the flesh, little by little, until you are down to the number of pounds you wish to weigh. Too much flesh is undesirable, as most quite stout people will readily admit, and it detracts from one's good appearance; makes one clumsy and short of breath.

There isn't any reason why anyone should be too stout, when there's this much-tried, perfectly satisfactory remedy at any good drug store. Tassco tablets (don't forget the name) are recommended by physicians and are guaranteed to be perfectly harmless. Refuse substitutes, if you can not come to our store, we will mail Tassco to you.
